VOL. 13 NO. 37 WEDNESDAY, SEPTEMBER 13, 1972

Have a great day at Arts & Crafts Fair

The people of St. Albert will have an opportunity Sunday to observe one of the town's most interesting activity centres on parade.

St. Albert Arts and Crafts Guild has arranged a Fair, which will show the public a broad general outline of what is being done at their centre in Sturgeon Heights district. In addition the Guild has invited other local artists to participate with exhibits.

The Fair is well timed -

just ahead of the fall session of classes at the centre, which will get under way during the first week of October.

Lois Folkins, program co-ordinator said Monday that registrations and enquiries have been coming in from all sides, and she is expecting a full enrollment in all classes again this session and throughout the year's program.

The program has been expanded this year to include

new classes in macrame, needlecraft and an upholstery class has been re-introduced. Also one extra class has been added in ceramics. Two creative dancing classes are new this year, for children 6-8 and for 10-12 age group. In all there are 28 classes lined up for this session, 14 for children from three years up and 14 for teens and adults. Watch for a newsletter at the Fair with background information on the activities offered and the instructors.

The Arts and Crafts Guild has been most fortunate in the approximately five years it has operated to have very well qualified instructors available. Many of them will be on hand at the Fair Sunday. Margaret Tewlow who will be teaching creative stitchery is an example - a graduate of the Aberdeen School of Art, with teaching experience in public schools in Britain, she has also been with the Art Gallery and the Edmonton Parks and Recreation Commission.

Carol watanabek is another new and well qualified instructor - a commercial art graduate with several other courses and seven years experience. Miss L. Shelleny studied at the Banff School of Fine Arts and will be teaching the creative dancing classes.

The year's program includes two 10-week sessions and one six-week. Last year between 600 and 700 enroll-

Four Candidates Join Edmonton-West Contest

The dissolution of Parliament and the announcement of an October 30th general election didn't come as a complete surprise to Canadians, but it stopped about one year of speculation by political observers and launched candidates officially on the campaign trail. Here in St. Albert we already have four candidates out on the hustings, vying

for the Edmonton West seat held by the Progressive Conservative incumbent Marcel Lambert since 1957. Newcomers to the federal political arena, contesting the Progressive Conservative stronghold are: Mel Hurtig, Liberal; John Packer, New Democratic Party; and Don McLeod, Social Credit.

Marcel Lambert, (PC) has

been a Member of Parliament for 15 years and his occupation is listed as 'Lawyer', besides being a statesman. Mel Hurtig (Liberal) is a publisher, John Packer (NDP) is a University Professor while Don McLeod (SC) is a graduate of a college in chiropractic. We in St. Albert expect to see a lot of these four candidates during the next several weeks as this is one of the most densely-populated areas within the Edmonton West Constituency.

Edmonton West has a potential 75,000 eligible voters and will establish 325 polling divisions within the constituency. Of the 325 polling divisions, 29 will be in St. Albert. Mrs. Rosemary Mason, returning officer for the constituency said enumerators started recording lists Monday, September 11. Her election clerk is Mrs. Doreen Olynk.

Grant MacEwan will open Day Care Center

The formal opening of the St. Albert Day Care Centre will take place at 3 p.m. Wednesday, September 20 at the Elin Chapel, on Ball Avenue. The Lieutenant Governor, Dr. J. W. Grant MacEwan has kindly consented to lend his official presence to the ceremonies.

Several other town and provincial government representatives and Edmonton day care personnel have also been invited.

The opening ceremonies will take place from 3 p.m. to 3:30 p.m. with cakes and refreshments and a tour of the facilities to follow. The general public is cordially invited.

Did you see the student protest on Perron Street at Tuesday Noon? Actually it was nothing more than the Grade 10 students of St. Albert High School who were escorted, up and down the main drag, by our local constabulary, for part of Frosh Exercises that have been taking place at that school.

St. Albert MLA Heads Censorship Mission

Ernie Jamison, (PC-MLA St. Albert), left Monday morning with his select committee of eight members of the Alberta Legislature on a week's cross-Canada fact-finding mission on censorship.

Heading the Censorship Committee, which was set up during the spring session of Alberta's Legislature, Mr. Jamison will confer with censorship boards and government officials in British Columbia, Saskatchewan, Manitoba, Ontario, Quebec, New Brunswick and Nova Scotia. "Time does not permit us to visit Prince Edward Island and Newfoundland," said Mr. Jamison.

Travelling with Censorship Committee Chairman Jamison will be: Merv Leitch, (PC-Calgary), attorney general; John Ashton, (PC-Edmonton-Ottewell); Bill Purdy (PC-Stony Plain); Frank Appleby, (PC-Alberta); Mick Fluker, (PC-

St. Paul); Ralph Sorensen, (SC-Sedgewick-Coronation); Arthur Dickson, (SC-Calgary) and Doug Miller, (SC-Taber-Warner).

The nine-man fact-finding mission, composed of six Progressive Conservative and three Social Credit MLAs will delve into the various aspects of film and

printed word controls in effect now in the rest of Canada. Mr. Jamison told The Gazette, "we want to study what the other provinces in Canada are doing about censorship... and look into the feasibility of applying their good ideas in this province," he said.

Parallel Parking Set For Downtown Streets

Bylaw 44/72 came up at last Tuesday's regular council meeting for first reading and was carried on a 7-0 vote after considerable discussion.

The bylaw proposes to amend the present traffic bylaw by deleting angle parking zones on Perron, St. Anne and St. Michael streets. In general, the bylaw proposes to change angle parking to parallel

parking on these three downtown streets. On Perron Street from Sturgeon River to St. Thomas Street, on St. Anne Street from St. Albert Trail to the Sturgeon River and on St. Michael Street from 150 feet East of Perron Street to 150 feet West of Perron Street.

After giving Bylaw 44/72 first reading, council approved. Continued on page 2

The St. Albert Kinettes held their first executive meeting last Tuesday at Club Moombo where plans were formulated for the coming season. At the top of the evening's agenda was the Kinettes' annual Christmas Hamper project. Seen left to right: Lynne Calkins, president; Bette Daley, past president; Julie Woods, secretary; Barbara Young, treasurer; Maureen Grave, bulletin editor; Arline Lemieux, registrar and June Parry and Vera Parenteau, directors.

Around Town

Alf Garvin, Commissioner for Landing Trail District Scouts and Cubs requests that parents register their boys in person and the times and places in an ad in this issue. The District is again expecting a large enrollment of boys and people interested in helping with leadership would be welcomed. Scouting is a very active concern in St. Albert and newcomers who would like to get involved with their very fine program are invited to get in touch with Mr. Garvin.

After purchasing six turtles from Robinson's Pet Shop, a local family were at a loss to discover a few days later that they were missing their legs. They went back to the store and the turtles were replaced. When it happened the second time the family and Eric Robinson went to the suppliers, who also could not figure it out. One of them asked the boy who was with the group what he knew about the turtles. "They make great cars" was the reply!

The canny ladies of the St. Albert Ladies Auxiliary to the Royal Canadian Legion have a \$60 holdover Jackpot to start the new Bingo season at Legion Hall.

Arts & Crafts Fair

Continued from page 1
ments were put through. When the Arts Centre overflows, classes have been staged at the Clubhouse, the Library and some schools, under the town's joint use agreement.

Ceramics has always been a most popular activity and a mainstay of the centre. After the installation of a new gas kiln last year, Mr. Pierre Goy of the provincial cultural division commented that St. Albert is second to none in the province in ceramics.

The Guild is subsidized to some extent by the town, who provided the centre and the kiln housing, and assist with children's classes to keep fees in the range of all families. All adult classes are arranged so that fees cover costs. Instructors and the co-ordinator are paid, averaging \$5 per hour. Projects put on by the guild help with providing new equipment and the \$1,500 for the kiln was

Opening night next Monday should be a good one, so drop in and give the gals a boost up with their project in support of the Legion Building Fund.

Interested parents are reminded that registration date for Brownies and Guides in the Mackenzie District is Thursday evening from 7 - 8:30 at Braeside Presbyterian Church, to be done by the parents. This District covers the Braeside, Sturgeon Heights and Forest Lawn families.

The St. Albert Day Care Centre Committee extends a sincere "thank you" to members of the St. Albert Youth group (SAY) who helped with painting chores at the new Day Care quarters in the Elm Pentecostal Chapel. The volunteer "painters" are: Kathy Griffiths, Wendy Birks and Kent Fraser. The Committee would also like to thank the generous citizens who donated many of the urgently needed furnishings and equipment being used in the Centre. Director Mrs. Lussier says, however, that books for youngsters are among the items still in short supply, these may include story and coloring books.

paid by the guild. An auction was held in 1970 and last year a ceramics sale netted \$550.

Another ceramic sale is planned before Christmas and if it goes well perhaps more electric wheels will be added at the centre, which would be put to good use.

Serving on the Guild Board presently are August Loman, president; Angela Broadner, past president; Karen Grant, vice-president; Pat deWit, treasurer; Jean Brooks, secretary; Cecile Martindale, Virginia Bruebeck and Ev Grant. Mention should be made of a non-member who has been instrumental in the drive for the gas kiln and in getting it operating most effectively, Doug Folkins.

The Fair goes from 1:30 until five at Sir George Simpson School. Displays will include a puppet show for children by librarian Don Mills, atmosphere will be informal with coffee available.

Parallel Parking

Continued from page 1
moved a second motion that a public hearing be held October 2 at 7:35 p.m. when objections . . . if any . . . will be received. A motion on the matter was made by Councillor Hudson that the proposed bylaw be submitted to the town solicitor for review. That motion was defeated.

Another item was dealt with regarding traffic in St. Albert, and this was a memorandum submitted by Councillor J. J. Bakker regarding school zones and speed limits.

Before Council dealt with the recommendation of the Committee of the Whole, in his submission, Councillor Bakker reviewed statistics on an experiment conducted in 1965 in the Jasper Place area where eight school zones with a 20 m.p.h. were studied. Figures revealed that 85 per cent of the drivers travelled through these areas at a speed of 27 m.p.h. while the remaining 15 per cent of drivers were clocked at 24 to 30 m.p.h. "Which shows," he said, "that all drivers at all eight locations could have been prosecuted."

Mr. Bakker's memorandum then explained another test, conducted this time in Edmonton where nine school zones were observed while no 20 m.p.h. speed limits were posted. The results showed that 85 per cent of drivers were clocked at 27 m.p.h., the lowest speed recorded by the remaining 15 per cent was 20 m.p.h. and the highest 30 m.p.h.

According to these statistics Mr. Bakker advanced the conclusion that the recommendation from the RCMP to establish school zones with 20 m.p.h. speed limits will result in tickets being issued . . . many to safe drivers, and it will not change safety.

"I think it is disappointing that recommendations like these are considered," Councillor Bakker said. He qualified his comment by

adding that the recommendations were unfortunately made when there is only evidence that these zones do not change speed patterns, there is no evidence that these speed zones improve safety or that the Canadian Manual on uniform traffic control devices recommends against these zones. His final point of contention was that, "the RCMP admitted that they have not even consulted the Canadian Manual in making their recommendations," he said.

Councillor Bakker then reprimanded the RCMP for making such unsubstantiated recommendations. "I feel the RCMP have failed to fulfill their obligations to St. Albert . . . they have made recommendations without consulting the Canadian Manual and therefore have been remiss in their duties," he remonstrated. Councillor Bakker then explained heatedly that police are there to enforce the law and not as legislators, "We don't need schemes in this town to provide the issuing of traffic tickets," he said, "what we want is policing which will make our town safe for everybody."

Councillor J. deBruin came to the defence of the police department by chastizing Councillor Bakker for making unfair accusations. Councillor Hudson jumped in by saying, "We must have confidence in our police . . . they don't go around issuing tickets indiscriminately," he said.

In an interview with Staff Sergeant Jack Roy after the meeting he assured The Gazette that he and his staff will make The Canadian Manual a "must" on his detachment's reading program.

MLA Heads

Continued from page 1
Areas of particular interest will be the general structure of censorship boards in other provinces. Also the film classifications used, theatre licensing, amusement tax structure, film identification codes and so on. Mr. Jamison also explained that a sensitive area which the Censorship Committee will probe is the one dealing with penalties for violations and appeal procedures.

"I can't promise that we'll be able to meet with the CRTC and the Federal Justice Department," Mr. Jamison revealed, "but we'll certainly try because we're most anxious to study the obscene film situation which exists on our screens and we also wish to confer with members of the Federal Justice Department on this and other matters. In view of the federal election public hearings being conducted by the CRTC, we may have trouble finalizing a meeting," he said.

While talking about violence on television and on theatre screens, Mr. Jamison revealed that his Censorship Committee also included a highly qualified research group presently studying the effects of violence via film, magazines and other media. A full report will be delivered to the Committee by this research group before September 25. Armed with this report along with data on the fact-finding mission, the Committee will prepare a complete report which the chairman will deliver in the Legislature during the Fall Session.

"Before the Legislature reconvenes," Mr. Jamison

said, "the Censorship Committee will assess the written submissions . . . almost 100 of them . . . which we received during the summer months from about every segment of society. On the strength of these very good submissions, we shall call public hearings, the dates for which will be announced soon," he concluded.

Mr. Jamison then explained that in the event the Censorship Committee suggests in its report that Alberta goes to a Classification Board, he will recommend to the Committee that radio, television and the press people take an interest in reviewing films for their audiences. "This, of course, requires qualified critics, to comment on all aspects of the film, including the acting, photography, music, plot, and overall entertainment value of shows being shown in their respective market areas.

"My own belief in the matter of having more well-documented reviews," he said, "is that such reviews could result in the people themselves demanding a higher standard of movie entertainment."

"This may be the most effective way . . . possibly the only way . . . to get rid of some of the junk coming across the screens and magazine counters," Mr. Jamison said.

In the views of the Censorship Committee Chairman, this method would bring about censorship by the public . . . and public opinion is something the industry must recognize.

PUBLIC NOTICE

Sturgeon Valleyvision
T & R Systems Ltd.

The Canadian Radio-Television Commission, the public authority which regulates and supervises the Canadian Broadcasting System, will hold a Public Hearing at the Chateau Lacombe Hotel, Edmonton, Alberta commencing on Tuesday, October 3, 1972 at 9:30 a.m. to hear among other matters an application by T & R Systems Ltd., 7603 - 104 Street, Edmonton, Alberta, for a broadcasting license to carry on a cable television system to serve the St. Albert, Alberta and the Sturgeon Valley area.

The complete application is available for examination by anyone during normal office hours at T & R Systems Ltd., 7603 - 104 Street, Edmonton, Alberta.

Members of the Public may attend the Public Hearing which begins Tuesday, October 3, 1972 at 9:30 a.m. at the Chateau Lacombe Hotel, Edmonton, Alberta. If anyone has any comments or representations in form of support or opposition relating to the application the substance of the comments must be submitted in writing to the Secretary of the Commission, 100 Metcalfe Street, Ottawa, Ontario, K1A 0N2, on or before fifteen days prior to the day fixed for the commencement of the public hearing. At the same time a copy must be sent by registered mail to the applicant on or before the fifteen days prior to the day fixed for the commencement of the public hearing. Please enclose your postal receipt with your submission.

WE BUILDING RESPECT FOR YOU

Town of St. Albert

PUBLIC NOTICE

Take notice that the Council for the Town of St. Albert has given first reading to the By-Law 44/72 which proposes to amend the present traffic by-law by deleting the angle parking zones on the following streets and avenues:

1. PERRON STREET - from Sturgeon River to St. Thomas Street
2. ST. ANNE STREET - from Highway #2 to the Sturgeon River
3. ST. MICHAEL STREET - from 150' East of Perron Street to 150' West of Perron Street
4. In general terms all angle parking will be changed to parallel parking

Written objections to the proposed by-law will be received by the Secretary-Treasurer at his office until 12:00 noon on September 27th 1972. A public hearing will be held in the Council Chambers on Monday, October 2, 1972 at 7:35 p.m.

R. B. Bowen,
Secretary-Treasurer.

Pet and Hobby Shop opens on the Mall

St. Albert's new pet and hobby shop on Grandin Shoppers Mall (next to Gateway TV) will hold its official opening Saturday, Sept. 16. To mark the occasion there will be a wide array of specially-priced items, give-aways and a badge, complete with cage, going as a door prize.

The Robinson's Pet and Hobby Supply started operating early in August. Now that the new fixtures have arrived and most of the stock is on display, Eric and Doreen have chosen September 16th as their grand opening day.

The new store is the first venture into the retail business by a well-known St. Albert couple, Eric and Doreen Robinson. Mr. Robinson will continue in his position as instructor in electrical engineering and related subjects at NAIT.

Before coming here almost eight years ago from Edmonton, England, the Robinsons bred and showed Welsh Corgis. Part of their kennel won 'best of breed' at the Westminster in New York, and they have also won the best of breed category in Belgium and South Africa.

The pet shop will also do service work such as poodle clipping, shampooing and trimming dogs, and de-barking and de-clawing bud-

gies.

In the hobby section demonstrations of all types of hobbies will be a special feature of the store. Mrs. Robinson has won numerous prizes, through the Womens Institute and other craft guilds, in such work as needle point, leather work, knitting, petit point, and copper tooling. "Our family have always been enthusiastic hobbyists," says Doreen and "we have always had pets." Supplies and materials for hobbies will be carried in the shop, and increased as demand occurs.

Fibre Optics, a new hobby craft will also be demonstrated. These hobbyists produce illuminated sprays of light in an interesting variety of designs. The shop will also carry the biggest range of plastic and balsam models for aircraft, boats, cars and trains, even seen in St. Albert, said Mr. Robinson.

There is good news for moms and youngsters who would like to start on a new craft, but feel they need some help. Mrs. Robinson will soon start weekend demonstrations on different

crafts. Early morning weekend demonstrations may also be arranged.

Wedding car decorations may be rented, purchased and/or custom designed by Doreen. Table pieces for festive occasions are also available.

Tropical fish, guppies, mollies and sword tails; guinea pigs, hamsters, chinchillas, gerbils, budgies and canaries will be stocked in the pet section, where supplies will include a complete range of aquariums, cages, pet food and health care needs.

Both Mr. and Mrs. Robinson are active in community affairs. Doreen has taken an active part in the Womens Institute and is presently serving a two-year term as president of the St. Albert branch. She is a member of the Lady Lions and Toastmistress clubs. Eric is an enthusiastic member of the Breakfast Lions Club and is secretary treasurer this year. He is well known as youth bowling instructor and has been active in the Boy Scout movement, as well as having directed the United Church Junior Choir.

The Robinsons have four children, David 16, Keith 14, Christine 12 and Graham, 10 years, and the family make their home on Gresham Boulevard.

Lady Lions begin new season with good turnout

The St. Albert Lady Lions meeting Monday evening at the Purple Dade was well attended, and included Lions wives from Sherwood Park, Spruce Grove and Edmonton. Lorraine Moore reported the greatest success with the club's summer project of sending four handicapped young people to Camp Ho Ho Ha for about 10 days. Lorraine and Pam Mykityshyn were in charge of making arrangements for the children, and had a heart-warming story to tell of the delight and appreciation of the youngsters, from Grandin and Mission Park areas. St. Albert merchants Ed Dunlop of Super-City Drugs,

Harry Hitchings of Hutchings Shoes, Jack Pickett of Macleods, Katrinas Ladies and Childrens Wear and Mrs. Sadie Ross, generously donated articles of clothing for the children. The Lady Lions expressed their gratitude to Lorraine and Pam for a job well done.

Peter Cresswell of the Human Rights department proved a most delightful and entertaining speaker. With the aid of many beautiful slides, and his highly interesting and knowledgeable commentary, he took the ladies on a tour of exciting and exotic places: New Zealand, Australia, Singapore, Egypt, Africa, Germany, United Kingdom, Italy, China and Fiji.

The ladies thanked Mr. Cresswell for a most enjoyable evening, and hope to have the pleasure of travelling with him again. He has the gift of truly transporting his audience to far away places.

Incidentally, for anyone who may be still wondering, the nose of the Sphinx was obliterated when emperor Napoleon unfeeling allowed his troops to use this wonder of the world for target practice!

The executive meets next on September 25th at the home of Shirley Parkin at 8 p.m. Next general meeting of the Lady Lions is on October 2nd.

Hannigan Eyeing Mall Location

Hannigan's Burger King Canada Ltd., parent firm of 53 food outlets in Canada are presently finalizing negotiations with Leon Kryger, president of Grandin Shoppers Park here in St. Albert. Alex K. Lewonluk, marketing manager of Hannigan Canada Ltd., said, "we're nearing the signing

stage in our negotiations and plan on a November, 1972 opening date."

Hannigan Canada Ltd. proposes to occupy the 2,800 square foot mid-section of Grandin Shoppers Mall. Mr. Lewonluk told The Gazette the food outlet in St. Albert will be a family-type restaurant, serving a complete

range of Hannigan specialties and licensed to serve beer and wine. "We may even be fully licensed by opening date," Mr. Lewonluk said.

The Hannigan family-type restaurant will seat about 90 persons at booths, tables and patio tables set out onto the Mall within a metal decorative railing.

All details have not been fully defined at this date but negotiations are moving along rapidly and Mr. Lewonluk has no reason to doubt the November opening date.

St. Albert band would welcome more adults

The St. Albert Community Concert Band, sponsored by the Breakfast Lions Club of St. Albert, is off and running for another year, and invites local residents to participate in its program.

Membership presently includes adults as well as students, from grade five up. High school students can earn up to five credits through yearly participation.

Adults are especially encouraged to participate and may take advantage of free beginning instruction offered by Bob Heuermann and Jim Humphries, local music specialists.

Several instruments are available at a nominal rental fee.

The band rehearses on Tuesday evenings from 7 to 9, and during the year performs several public concerts.

For further information please contact one of the following -- Mr. John Kaminski 599-3841 or 599-6178; Mr. Gerry Buccini, 599-7384 or 599-4467.

Council Roundup

Three citizens had a few things to discuss with members of Town Council prior to last Tuesday's regular meeting. This was in accordance with a recent council ruling that citizens may discuss civic matters prior to regular meetings, without going through the appointment process.

A few of the councillors arrived at 7:15 and heard Mr. W. Thiele, Mrs. S. McCaffery and Mr. Schuchard. Mr. Thiele aired his views on several topics, including town beautification, development of new areas and parking in general. Mrs. McCaffery suggested that council should define bylaws more clearly during meetings, "so that we too know what bylaw you're talking about." Mr. Schuchard took up the remainder of the 15 minute open forum period by revealing his fears on the local animal shelter situation, tickets of violation issued to owners of 'stray' dogs and so on.

This 'Open-Line' type of session prior to every regular council meeting will continue as long as citizens want to avail themselves of this opportunity to dialogue with members of council.

Three appointments were received at the Tuesday meeting of council. The first was an appeal from J. Milton of 15 Gillian Crescent whose application for: building permit for an attached garage was turned down because its plan did not meet side-yard specifications. Mr. Milton circulated a drawing of the proposed garage and explained that he had no alternative but to build it as proposed. "My garage would not obstruct my neighbor's view," he said, "because my garage would be directly adjacent to his." Mr. Milton further explained that if he were forced to build at the rear of his property, he would have to extend his driveway at great expense and the garage at the rear of his property would block his neighbor's view.

After hearing Mr. Milton's application, studying his sketched plan and receiving a recommendation from building inspector Jim Roberts, council approved a motion by Councillor Thronson that a permit be issued providing a letter is obtained from Mr. Milton's neighbor and that the builder construct said garage with a one-hour fire wall. The motion carried a 5-2 vote with Mayor Gibson and Councillor Kambourff dissenting.

Next appointment was with Mr. P. Mear, St. Albert Kinsmen Club who appeared in order to secure firm arena ice rental rates for the coming season.

This question was firmly

discussed around the council table until it came to rest that rates remain the same as those in effect last year, namely \$3.00 per hour for minor hockey teams (local) up to the juvenile classification. Ice skating rates will be referred to committee for study. The all-encompassing motion was carried 6-1, Mayor Gibson cast the negative vote.

Third and final appointment was with Mr. P. D. G. Edwards, senior planner with the firm of Makle, Holloway and Associates Ltd. Mr. Edwards made a submission on behalf of the Municipal District of Sturgeon's application for the designation of about 11,000 acres for industrial reserve between 142 and 127 Streets.

In seeking support from council, Mr. Edwards described the need for an industrial reserve area by listing four major points: (a) the need to provide local employment, (b) to provide serviced land for high quality industrial development, (c) an area which could be supplied with all municipal services and (d) an industrial area which would serve as a buffer between St. Albert and Edmonton, thus separating the two residential communities.

These points are all part of the MD's General Plan. Councillor Hudson expressed mistrust in the buffer concept, "in that this same buffer might become a link with Edmonton." Councillor deBruin, on the other hand applauded the proposal because in his estimation M1 and M2 industrial areas are "very desirable." Mayor Gibson expressed doubt as to the open-endedness aspect of the proposal and registered concern with controls by St. Albert over the selection of industrial developments. On a motion by Councillor Lukay, St. Albert agreed to endorse the MD of Sturgeon's quest for 11,000 acres of industrial reserve designated as per submission. The motion incorporated an amendment by Mayor Gibson that St. Albert be guaranteed no loss of control in the final decisions and that this authority to review industrial development applications come through ERPC.

Around Town

Only five stalwart cyclists of the St. Albert Bruin Inn Cycling Club ventured out last weekend on the 25-mile trip to Elk Island Park joined by seven members from Georges' Cycle Club, the intrepid dozen riders made it to the youth hostel where they found heat, shelter and warm food. All 12 riders agreed that it had been a wet, cold and windy trip by any standards but also agreed to participate in future trips next year. Among the determined riders who made the trip both ways were Sandy and Blake Milroy.

Soon after schools opened throughout the district, we reported enrollments as of August 29th in both St. Albert school systems. On that date Mr. Vince Maloney, superintendent of School District No. 3 reported that 2,014 pupils had already registered. That figure has been slightly altered since now, the enrollment stands at 2,036. On the same date Mr. Elmer Gish, Superintendent of School District No. 6 reported an enrollment of 2,700 pupils. That figure now stands at 2,860.

Dorothy Clifford of London England is visiting with her brother, Gerry Ward, and his family at 29 Flagstone Crescent. She arrived in St. Albert August 15, in time to join the Wards on their vacation trip to Flat-

head Lake, Montana, and will stay on in St. Albert until the 17th of the month. Dorothy, who works in the office of the Ministry of Defence in London, "just loves Canada" and is already making plans to come back. She likes all the space, the lower noise level and finds the Canadian way of life less of a rat race than back home.

by Mona Acker,
PSS Director,
Town of St. Albert.

By Mona Acker
Preventive Social Services
Director.

THE PREVENTIVE SOCIAL SERVICES PROGRAM

Although the P.S.S. program has been established in St. Albert since the signing of an agreement between the Minister of Public Welfare and the Town of St. Albert in July 1967, it was interrupted in October 1970 with the resignation of the then Director, Elmer Harrison. By February, 1971, a new bylaw was passed by Town Council establishing an advisory committee of Town Citizens and they got underway immediately. Their first task was the hiring of a new director. I started as director on September 1, 1971.

Preventive Social Services is a province-wide program with directors in 25 municipalities across Alberta. It grew out of provincial concern for increasing welfare caseloads, increasing numbers of children being taken into care and increasing costs caused by social problems. The provincial authorities were convinced that communities have the desire, energy and resources to meet their own needs. The communities, be they cities, towns or counties, control the program entirely in terms of which programs are needed in their area and which they will offer financial support to. The province helps with consultation services and 80 per cent of the financing.

Since the program started in Alberta in 1966 programs which have been encouraged include: parent-child development, day care, family life education, drop-in centres for youth and senior citizens, counselling services, homemaker services, solo clubs, information services, volunteer banks, family planning clinics, to mention a few.

Here, in St. Albert, the PSS Board is appointed by Town Council and is directly responsible to council. So far, it has asked council for, and received, financial help for a homemaker service and a day care centre so that those unable to afford the service, but in need of

them, could be served. Although the PSS board chose to hold its meetings in closed session, as other town boards do, its minutes, reports and financial statements are on file for the public at the Town Hall. Any citizen who wishes to be heard at a board meeting may do so by contacting the director or board chairman, Rich Bailey, at 599-5372. The board needs the ideas of town residents and welcomes honest disagreement with its policies and programs. Only in this way will the various sentiments of our people be known and their needs be met.

Other projects that PSS have been involved in and not costing the town a penny are counselling, information services, STEP employee working with teens, single parents club, and helping groups of teens with their applications to the Opportunities for Youth program.

If you know of people in need of friendly visitors, transportation or recreation for the handicapped or senior citizens, children in need of after school care, family planning information or any other observation you have or help you want to offer call me, Mona Acker at the Fire Hall, 599-6601.

AROUND TOWN

Mr. and Mrs. Elmer Gish are looking forward to moving to their new home in St. Albert, on Fair Oaks Drive, about Sept. 23. Meanwhile Elmer reports "We have been living rather like gypsies since selling our house in the city." The Gishes are now in the second friend's home, which they have had the use of while their friends were on holidays.

Toastmistress Resume Season

The first meeting of the 1972-73 season of the Sturgeon Toastmistress Club will be held Wednesday, September 13 at 8 p.m. in the lecture room of the St. Albert Library.

The executive for the coming season is as follows: President - Irma Wilson; First Vice President Lorry Saunders; Secretary Joyce Foreman; Treasurer Marie Niedig; Club Representative Joan Brunner.

Toastmistress is a training program invaluable for women wishing to hold office in any organization. Many women, now successful in

Mothers Day program may end

The organizers of the St. Albert Mothers Day Out program believe that unless many more volunteers come forward, the service may be discontinued.

Eight hundred children have been cared for in the 18 months the service has been in operation. Each Thursday (except during July and August) mothers can leave their children in the lower hall of the United Church while they shop, get their hair done or use their six hours freedom in numerous ways.

The children are well looked after under the program which is licensed annually by the provincial government. The facilities are good and include a nursery so that children from newborns to six are cared for. Instruction is given in arts and crafts and the children have snacks twice each

day and lunch at noon. The charge is 75¢ per day, per child, and the program is open to anyone in town.

Last year they were licensed for a maximum of 25 children per day, and Betty Lovett reported that the supervisors were swamped with requests, indicating that it could probably be expanded to two days to fill the need. This year the license application requested a maximum of 30 children.

However several regular volunteers have been unable to continue, due to other commitments, and unless new volunteers come forward, the service will have to be discontinued.

Women do not require specialized training or experience to work in Mothers Day Out, only a love of children. Middle-aged women have been found to make

excellent volunteers. Two co-supervisors are in charge on an alternate basis and if three could be found to serve in this capacity it would be even better. None of the people in the program are paid, and the fee covers lunches and materials with little in the way of profit. The church space is also donated.

But a real problem is volunteer workers. If sufficient women can be found to assist, the organizers would like to get the service started by the end of September.

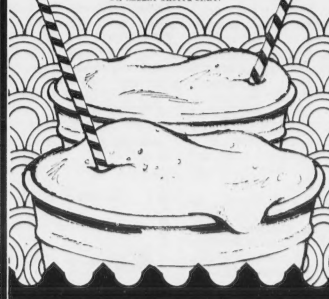

Anyone wishing to give young mothers a break by volunteering some time should telephone Margaret Dolphin at 599-6350. Others assisting with the program include Marilyn Gariepy, Myrna Fyfe, Joan Hogg and Linda Kuzz.

Local Tennis Quartet Advances To Finals

In the second game of the Interclub B semi finals, the St. Albert Bl team again beat the tennis team from Fort Saskatchewan. This time the score was 5 - 2 for St. Albert, making the total score for the series, St. Albert 10, Fort Saskatchewan 5. The Bl team (Angela Miller, Roberta Parsons, Clark Warren and Fred Rudolph) now advances to the finals and will play either Hillcrest 2 or Garneau.

The A team (Dave Kirk, Clark Warren, Judy Wood, Cynthia Sage) were defeated 6 - 2 by Glenora in the first match of their final. The second match is still to be arranged.

The Hillcrest Club in Edmonton held its Invitational B tournament last weekend.

A number of St. Albert players came out on top. Rita Egan won the ladies singles, and Beryl Harding and Joan Green won the second-year section of the ladies doubles. The mens finals were dominated by the St. Albert club. In men's singles, three out of four of the semi finalists were local players -- Fred Rudolph, Clark Warren, Roman Mureika. Roman won the event by defeating Clark in two sets. Fred and Clark teamed up to win the doubles event by defeating the Hillcrest combination of Cal Edwards and Doug Hughes in two sets.

The St. Albert Tennis Club final tournament will be held this weekend, Saturday and Sunday, Sept. 16 and 17. Those members who are

playing in the tournament are asked to phone the Warren residence between Wednesday and Friday to check on the times of their matches.

The Tennis Club will wind up the season with a party at Anne and Dave Kirk's house, Saturday evening September 23. Those planning to attend are asked to contact Joan Green by September 17.

Comets entered in Edmonton Central Hockey League

Rene Brodeur, assistant manager of the St. Albert Comets hockey team, advised the Gazette Monday, the senior club will again play in the Edmonton Central Hockey League which they joined two years ago. The league consists of clubs Sherwood Park Barons, Leduc Oilers, Ray's Esso Stony Plain Eagles and Wintertown Tomahawks. There is also a good possibility that Fort Saskatchewan will enter a club.

There will be a number of changes in the front office personnel with president Jake Vaugois, coach Ken Schwartz and equipment manager Rene 'Max' Pouliot leaving the club. Pouliot's employment will keep him up north this winter, and Schwartz quit near the end of last season.

Rene Brodeur is now

RENE BRODEUR

seeking applicants to fill the positions of coach, manager, equipment manager and public relations. Interested parties are asked to call Mr. Brodeur at -- 455-4738 after 6 p.m. Comets will play a 25 game schedule with home games being played Friday

and Sunday nights in the St. Albert and District Arena.

Practices will begin October 10th at 10:30 p.m. Interested players are asked to contact Mr. Brodeur at the above number.

Local Track Star Fails In East Competitions

Sue Hoffart, who recently returned from the Age Class Track and Field Championships in Montreal reports that she found the competi-

tion very strong.

Although she ran very near to her personal best in the 800 meter race, she managed only an 11th place finish. In the 1500 meter run she met a similar fate while running a personal best of 4:54.5.

Sue's record in the Alberta versus Quebec meet was much more encouraging. She placed second in the 800 meter race and also helped her team defeat Quebec in the 4 x 400 meter relay.

Sue is most grateful to the individuals and clubs in St. Albert who helped make her trip possible.

This week as Sue starts university she will commence training with the U of A Cross-Country team.

If you are a curler or would like to become one, the Canadian Curling Alliance is sponsoring curling sessions starting September 15 through September 18 at the Balmoral Curling Club 6820 - 116 Street, Edmonton. Instructions will be given by some of Canada's champion curlers, such as: Hec Gervais, Ernie Richardson, Don Duguid, Brian Wood and Bob Pickering, just to name a few. For further information call Betty Anderson at 599-6124.

was on the mound for the win.

On Sunday morning the Chiefs took on top rated Salisbury. Chiefs continued their hitting spree and were easy 9 - 4 winners.

This put Calahoo into the money with their next opponents being Beauvallon. The game started off alright with Calahoo scoring the first run in the first inning.

Beauvallon's first turn at bat produced four runs and this was enough as they took a 5 - 1 win.

It would be hard to single out any outstanding players for Calahoo as everyone probably played the best they have all season.

Honorable mention must go to Stub Perube who was 7/7 at one time in the tournament. Larry Mitchell had two home runs. Artie Stevenson had three wins on the mound.

The Calahoo Sports Association are holding their annual wind-up party for the team in Stony Plain, September 23.

A boy's voice changes when he becomes a man, and a girl's voice changes when she becomes a wife.

Chiefs end season in fine style

The Calahoo Chiefs fast-ball club closed out the 72 season picking up fourth place money in the Umpires Tournament last weekend in Edmonton.

Chiefs enjoyed one of their best seasons ever in the Sturgeon Fastball League losing in the semi-finals to CJD A1 from St. Albert who went on to defeat Stony Plain for the league championship.

The 16 team umpires

tournament got under way Saturday morning in weather that was more suited for duck hunters.

Calahoo started off the affair at 9 a.m. with a 5 - 1 loss to Rollyview. Dick Bird was the loser. This dropped the Chiefs into B division. The 12 o'clock draw saw Calahoo upset Electric Light 9 - 2 with Artie Stevenson picking up the win.

With no rest between games, Dick Bird stopped Looma on six hits and the Chiefs won 8 - 3.

One half hour later the Chiefs were back out on the field against Andrew, who had never lost to Calahoo in a number of tournaments.

It appeared the story was going to stay the same as Andrew led 4 - 2 going into the sixth inning. Calahoo took advantage of two Andrew errors while getting seven hits and before they were out of the inning the score was 11 - 4 for Calahoo. Artie Stevenson

Cub & Scout REGISTRATION

The annual Landing Trail District Cub and Scout registration for boys in St. Albert, will be held next week as follows:

- 1st St. Albert Cubs and Scouts - Please watch the Parish Bulletin for Date.
- 3rd St. Albert Cree Pack - Tues. 19th, Sir George Simpson -- 7:00 - 8:30 p.m.
- 3rd St. Albert Commanche, Apache Packs & Scouts -- Tues. 19th - Sir Alexander Mackenzie - 7:30 p.m.
- 4th St. Albert Cubs & Sea Scouts - Tues. 19th, Sir George Simpson -- 7 - 8:30 p.m.
- 5th St. Albert Cubs & Scouts - Mon. 18th, Lutheran Church, 11 Glenview Cres. -- 7:30 - 9 p.m.

General meeting and registration.

Registration fee remains the same as last year at \$6 per boy and the groups request that parents must register the boys in person. Please note that the places of registration do not necessarily indicate pack and troop meeting places.

Youth bowlers poised for 6th big season

This Saturday, September 16, registration for all youth bowling leagues will take place in the bowling alley in Grandin Shoppers Park at 9:30 a.m. and will be on a first come first served basis due to the number of youth bowlers wishing to enroll.

As in previous years a registration fee of \$1 per child is levied this fee is matched by the bowling alley and ensures that your child is automatically registered in the Canadian Youth Bowling League and thus receives a large variety of badges and awards that are earned by continuous improvement of his or hers average.

This year youth bowlers will still enjoy the same

benefits as in previous years. Weekly cost of bowling will be 75¢ per child and includes linage, hire of shoes, use of lanes, and trophy and prizes at the end of the season.

The youth bowling supervisors this season will include Lion Rich, Schuchard, Mr. Ken Ahnson, Miss Kim Popoff and Mr. Garth Roberts, other adults have also volunteered to supervise, these stalwart members of the community will be introduced when bowling starts.

A change from previous years will see all supervisors conducting three bowling clinics. One at the beginning of the season on September 23, one at Christmas time and one towards

the end of the season.

Lloydminster, Westlock, Bonnie Doon, Newton Lanes, Fort Saskatchewan, are amongst the bowling alleys on the competition circuit.

Due to demand from a large cross section of the youth bowlers, an attempt will be made to form a bowling league on Sunday afternoons when an adult supervisor will be needed for this league or possibly two.

Bowling during the weekend is split up into shifts, 9 - 11; 11 - 1; 1 - 3 and 3 - 5 on Saturdays and 1 - 3; and 3 - 5 on Sunday afternoons. Two games are played while each supervisor assists individual bowlers with problems.

An expected enrollment of 200 plus bowlers is expected for what should prove to be a very rewarding year for the youth bowlers of St. Albert. This year due to his business commitments, the youth bowling originator, Eric Robinson,

will take a back seat confining himself to coordinating the various competitions and the paperwork involved.

Youth bowling in St. Albert is a Lions Breakfast Club project and has been running for the past five years.

Cycle Champ Retains Title

On Sunday, Karl Schneider and Peter McCaffery of the St. Albert Bruin Inn Cycling Club competed in the Alberta 25 Mile Championship Time trial, held on Highway 2 north and starting and finishing at the weigh scale.

In an event made very tough by a strong crosswind 1971 champion John Bryan of Georges Cycle retained his title with a very creditable ride of one hour and 59 seconds. Second was Ed Heacock of Alberta Cycle in one hour one min. 57 sec. and Peter McCaffery of St. Albert came third with a time of one hour, five min. 29 sec. Karl Sch-

nelder finished fifth in one hour, eight min. 27 sec.

Tomorrow there is a club meeting at 7 p.m. at the St. Albert Library to set up a winter program of activities. All are welcome.

ST. ALBERT RECREATION

HI - LITES

SWIMMING POOL:

The schools will be finishing their fall swimming program this week and the pool will finally close on Sunday, September 17.

Those wanting to have a final swim are reminded that public swimming is scheduled for Saturday and Sunday from 2 - 8 p.m. on each day. Till then, anyone wanting to swim during the hours 4 - 8 p.m. is advised to phone the recreation department at 599-6601 to make sure the pool is open. Because of the entry or return to university of members of the pool staff, it has not been possible to hold all the public swimming sessions hoped for. Apart from which, the weather has been most unco-operative and attendance has been very low.

TENNIS:

The Tennis Club will be holding the final tournament of the season on Saturday and Sunday, Sept. 16 and 17 and the courts will not be

available for play on those days. The finals will be played on Sunday afternoon, after which the trophies will be presented to the winners. Spectators will be welcome and will undoubtedly be rewarded by a display of very good tennis as St. Albert is renowned in tennis circles by the high calibre of play.

ARTS & CRAFTS FAIR:

A separate advertisement announces the Fair, sponsored by the St. Albert Arts and Crafts Guild, which will be held on Sunday, Sept. 17 in Sir George Simpson Junior High School, Grosvenor Blvd. As well as viewing exhibits, demonstrations, etc., it will be possible at that time to meet the instructors and register for the forthcoming fall programs.

Y NEIGHBORS:

Calling all ladies! Does the prospect of winter bother you? It needn't. You can join the "Y" Neighbors and get out for a couple of hours each week, meet people and

have a program of keep-fit, followed by coffee and a varied program of talks, demonstrations, crafts, etc. suggestions for these will be welcome.

Although mainly for mothers with pre-schoolers, all ladies, with or without little ones, will be welcome. While the ladies enjoy their program upstairs in the Community Hall on Perron Street the pre-schoolers are looked after downstairs. Babies should be brought in car beds or collapsible cribs.

The first meeting of the Y Neighbors, sponsored by the YWCA, will be held on Monday, September 18 at 9:30 a.m. and registration will take place at that time. (There will be a keep-fit class that day so come prepared!) The cost will be \$10 for 12 weeks with an additional \$2 for each child to cover the cost of juice, cookies and crafts. Each "meeting" will last from 9:30 - 11:30 a.m. with a weekly keep-fit hour under the guidance of the very popular instructor, Bonnie Childs. So - come and meet your neighbors!

Further information can be obtained by phoning the YWCA at 422-8176.

FUTURE PROGRAMS:

Information about other recreational programs will be announced in the next week or so in The Gazette. In the meantime, please phone the Department of Recreation at 599-6601 if there is any activity in which you are particularly interested.

Charette will feature Information center

The Educational Facilities charette organizers are setting up an information centre in Grandin Mall for a month, from Sept. 15 to Oct. 15, with the Charette itself scheduled Oct. 10-15.

The original proposal by trustee Don Munro to St. Albert Protestant School District in the latter part of May has grown considerably in scope. Mr. Munro suggested a charette to obtain opinion from the public on planning the next facility built by the school district, so as to best integrate the community and school use of the facility. The suggestion was that the latter part of the charette would be held in the Retreat House, which has now been decided against.

Now, however, the charette is designed to open up discussion by the public and local organizations on community concerns in three areas: education, recreation and social services.

During the first week of operation the information centre will concentrate on education, featuring displays by schools and related educational groups. The second week will be devoted to showing recreational and leisure activities such as

sports, art, music, drama and crafts. Community service groups will be featured the third week: churches, health services, youth groups, service clubs and the Preventive social service committee.

All organizations in St. Albert are invited to participate in the information and volunteers are needed for posters, charts, films, projects and any form of material suitable for portraying the themes.

On each evening, Tuesday through Friday of the Charette itself there will be a brief, thought-provoking presentation to stimulate discussion. This will be followed by the formation of informal groups for discussion.

Everyone will have a chance to voice his opinion. Resource people will be on hand to offer expertise in their particular areas and to answer questions, but they will neither give speeches nor make formal presentations themselves. The people will do the talking - not the experts!

From 9 a.m. to 6 p.m. on Saturday all the information from the various groups will be collected and made into a final report which will contain suggestions and recommendations to the Town Council, the two School Boards and Government departments. The town council and both school boards are supporting and participating in the Charette.

The final report will also be made available to all organizations in town as an

aid to cooperation in and coordination of future community projects and services.

The organizers and urging concerned individuals and members of every organization in St. Albert to attend the Charette and express their opinions and concerns. For more information, call Shirley McCaffery at 599-8704 or 599-7583.

AROUND TOWN

Following their meeting last night, members of the St. Albert Fish and Game Association were invited for coffee at the St. Albert Sportshop by owners Ken Follon and Tom White.

Newcomers

We welcome the following to St. Albert:

What is a Town?

A Town is a group of people

It is a school
It is a Town government
It is churches
It is industry and jobs
It is retail businesses

They all have to work together. All must have the support of the people. Or there is no Town.

Give your local merchant a chance for your business. You shouldn't spend your hard earned money with him unless his selection is adequate and his price competitive. But give him the first opportunity to make the sale.

For the local retailer pays the highest percentage of local taxes. He must often be the civic leader who dedicates his time and talents to his Town. He is the one contacted first for contributions to charitable projects. He provides jobs. Without his store you have no Town.

Give the local merchant a fair shake.

PROGRESSIVE CONSERVATIVE

Pembina P.C. Association

Noted speaker will describe exciting new clinic on learning disabilities

Dr. Jane Silvius will be the featured speaker at the first meeting in the school year of the Sturgeon-St. Albert Association for Children with Learning Disabilities on Monday.

The Child Development Centre currently being organized by Dr. Silvius is easily the most exciting event of the year in the field of learning disabilities. This clinic will be set up to provide diagnostic services, remedial services,

and training for the interested lay as well as professional person. The lack of remedial services has been the most serious gap in the facilities for learning disabled children in the area.

Representatives for the committee will explain the rationale, organization, and aims of the forthcoming Educational Charette. The S-SACLD has been asked to participate in the Charette and the executive solicits suggestions from all asso-

ciation members and from interested members of the public at large.

The meeting will commence at 8 p.m. Monday, September 18 in the Music Room of the Leo Nickerson School.

The Sturgeon-St. Albert ACLD will be holding their regular monthly meetings on the third Monday of each month at the Leo Nickerson School. The policy of the association last year was to conduct meetings in various schools to encourage all interested parents and professionals to become aware and involved with the problems the learning disabled child faces in the school, the community, and the home. However, it was discovered that moving around posed a problem for those people unfamiliar with the location of these various schools.

The meetings are open to every concerned person in the Sturgeon-St. Albert area and elsewhere.

Lions Plan Joint Party

Local Breakfast Lions again lost their gong Tuesday morning, this time to the Edmonton Lions Club. Lion President Stan Shottland and several volunteers promised to get it back soon.

Of the 45 or so Lions present at Tuesday's breakfast there were the 11 gong-snatchers from Edmonton, a lone Lion visitor from Hinton, two from Southgate, two visitors from the St. Albert Supper Club and a most-welcome prospective Lion, Number One Sergeant Jack Roy of the local RCMP. A Joint Supper and Breakfast Lion Club barbecue is scheduled for Sept. 23 at 7:30 p.m. at Lion Dr. W. Cuts' place. Price will be \$2.50 per member and this will include steaks and refreshments.

Lion Lorne Johnson reported that the Birthday Calendar project is on its way and assured everybody that this popular item will be in circulation before December.

Lion John Kaminski is presently accepting registrations from past and prospective members of the Lions Band and announced that rehearsals will commence immediately.

Lion members are reminded of the Board of Director's meeting Sept. 21 at 9 p.m. in the United Church.

Sing Out St. Albert announces "Rebirth"

By Deb Rutledge

Sing-Out St. Albert has now been in existence for two years and seven months. We have presented two major shows to the town's people: "Spring Thing" in the spring of '71, and "With Everything Changing" in the fall of '71. We have also performed at the rodeo, the Youville Home, in various churches and at several banquets in both St. Albert and Edmonton.

We have been under the direction of Mr. John Lindley, a teacher at Paul Kane High School, for the greater part of last year, and are looking forward to another year with him. Over the summer many members moved away, or found it necessary to quit for one reason or another.

Consequently, we Sing-Out St. Albert, are announcing a "re-birth" on Sept. 28 at 7 p.m. at the Clubhouse. If you are between the ages of 13 and 99, love people, like singing or are able to play piano, organ, trumpet, guitar, drums, etc. we urge you to come out and join us. Keep smiling, and remember the famous words of whoever first said them - "Up With People."

Edmonton Strutters Win Two Top Trophies

St. Albert residents may wonder why The Gazette would bother reporting on the Edmonton Strutters Drum and Bugle Corps. Well . . . we have three good reasons . . . and that should be good enough. First, two members of the Strutters live in St. Albert, Shannon Jensen of 63 Gillian Cresc. and Karen McDonald of 48 Gillian Cresc. The second good reason is because the color guard

equipment manager is Bill McDonald, Karen's father and third reason is because this group won two trophies and received very little publicity for their accomplishments.

The Edmonton Strutters Drum and Bugle Corps is one of only three registered members from Alberta belonging to the North West Drum Corps Association. With a corps enrollment of 80 boys and girls, the Ed-

monton Strutters started the 1972 season right at the bottom of the proverbial totem pole. In their Class "C", the Strutters were literally "wiped-out" in their first road trip encounter in the United States during the first party of July. Many hundreds of miles of travel and hundreds of hours of training later, this same corps came home after the September 2 Classic of Champions in Spokane, Washington with two trophies. The first place trophy in Class "C" and the Challenge Trophy, awarded to this valiant corps of youngsters for having shown "the greatest degree of improvement during the season."

Bill McDonald, color guard equipment manager and Larry Miskiw, financial director of The Strutters said, "we were given a standing ovation by the Spokane crowd when the two awards were made." Afterwards, hundreds of unknown well-wishers congratulated us with such comments as, "you kids sure earned those two trophies . . . good show."

The Edmonton Strutters Drum and Bugle Corps was formed in 1968 and registered as a charitable organization. Although they are self-supporting, financial assistance has been gratefully received from the Edmonton Rotary Club. Additional assistance came from the City of Edmonton in the form of a \$1,500 grant this year. Besides such assistance, the Strutters finance themselves through the \$25 per year membership and fund-raising campaigns. Another area of revenue which must not be minimized is the hosting of the Gold Rush Drum Corps competition held July 19 (Band Extravaganza) and parade prizes. "All-in-all," Mr. Miskiw said, "we manage to take road trips, equip our 80 boys and girls and provide meals and lodging for all without going into debt."

Mr. Miskiw explained that The Strutters travel in two rented school buses, transport the uniforms and instruments in a rented truck and the mobile kitchen follows the cavalcade in a small van owned by the corps. "Our daily cost, while on the road," said Mr. Miskiw, "comes to \$120 plus \$2 per mile for transportation." He explained that meals are cooked by volunteers who pinch-hit as chaperones, nurses and helpers. Sleeping accommodations are generally in school gymnasiums, church basements, even old army barracks.

While describing the area represented by North West Drum Corps Association, it was defined as including Alberta, British Columbia and several northwestern states such as Northern California, Montana, Oregon, Washington, Idaho and a part of Nevada. From Alberta, there are only three corps belonging to the NWDCA out of a total membership of 31. Two are from Edmonton and one from Calgary. The other

two member corps from Canada are in British Columbia and the remainder are all from the above-named states of America.

Mr. McDonald admitted that The Strutters will lose a few members through the normal course of events, such as transfers, kids moving away or going to university and the such. "A 10 per cent drop in membership is quite normal," Mr. McDonald said, "but we're not worried about replacing the drop-outs, in fact we're already interviewing applicants and we have decided to increase our corps to a total strength of 110 for next year."

Karen McDonald and Shannon Jensen of the Edmonton Strutters Drum and Bugle Corps are the only two members from St. Albert in the 80-member Class "C" group. Karen lives at 48 Gillian while Shannon's home address is 63 Gillian. Here they're seen holding the two trophies won at the Classic of Champions held September 2nd in Spokane, Washington.

Mrs. Alva McGarh, art consultant from Canada Crayon Co. Ltd., will conduct an Art Workshop for teachers representing school jurisdictions in Zone 3 extending from Jasper in the west across the province eastward to the Saskatchewan border. The workshop will be held in the Sir George Simpson School in St. Albert on September 19, 20 and 21st, 1972.

Art Workshop next week at Simpson School

Approximately 50 elementary teachers from school jurisdictions in Zone 3 extending from Jasper in the west across the province eastward to the Saskatchewan border, are expected to participate in an Art Workshop on September 19, 20 and 21st at the Sir George Simpson School. It was announced recently by Mr. A. E. Kunst, consultant in fine arts of the Edmonton Regional Office of the Department of Education.

Teachers A. Els of Bon Accord, O. T. Tan of Camilla and Mrs. L. Ozeroff of Sturgeon Heights School will represent Sturgeon School Division. Lucy Beauchemin of Albert Lacombe, Raymond Pincio of Vital Grandin and Rita Piquette of Father Jan School will be attending from St. Albert District #6. Teachers from Sir Alexander Mackenzie, Robert Rundle, Leo Nickerson and Sir George Simpson schools in attendance.

A free educational service provided by Canada Crayon Co. Ltd., manufac-

turers of CRAYOLA crayons and other school art supplies, the Workshop will be conducted by Mrs. Alva McGarh, who has taught extensively and holds a Master's degree from the State University of Iowa.

The teachers will spend 15 hours of their own time learning about modern creative art education and some of its materials and tools. They will learn by doing, rolling up their sleeves and trying out the techniques presented by Mrs. McGarh.

These techniques will include some of the uses of crayons, water colors, poster paints, finger paints, colored chalks, and modeling clay. Simple craft techniques will also be shown, giving teachers an opportunity to work with paper, paste and other materials to gain three-dimensional effects. All of the Art Workshop activities will be experiences which the teachers can relate to their own classroom teaching.

The St. Albert Protestant Separate School District have made school facilities available for the workshop and the local arrangements are under the direction of Mr. Robert Prather, principal of the Sir George Simpson School.

Developers Finalize Morinville Land Deal

Negotiations were concluded this week for the purchase of four parcels of land in Morinville by out-of-town developing firms. The transactions represent an assemblage of 290 acres purchased from Gerard Pelletier, 146 acres sold by Lawrence Fuchs, the mink ranch area sold by

Library Displays Collection

The St. Albert Public Library presently has on display in the Library's Lecture Room a travelling art collection from the Department of Culture, Youth and Recreation. The display, titled "A Survey of Modern Art," consists of about 20 paintings and reproductions including Picasso, Dali, Braque and Cezanne as well as several original paintings by Alberta painters.

It will be at the Library through to September 23 and coincides with the Art Guild's annual Art Fair being held Sunday afternoon at Sir George Simpson High School. Also at the Library for the next eight weeks is a travelling book collection on Canadian arts and artists.

The public is invited to visit this display during the next two weeks during the Library's normal hours of business (noon to nine Mon-

day through Friday, ten to five on Saturday). All teachers in the St. Albert area are invited to arrange class

visits to the Library to view this display. Arrangements can be made by contacting the Library.

No. 3 S.D. Approves 3 Future School Sites

The St. Albert School District No. 3 has been studying school site committee reports with a view for future school requirements. During the summer months three tentative sites have been selected, two 5-acre plots for future elementary schools and one of 20-acres in size for a proposed junior high school. All three sites under consideration are located in the undeveloped area East of Braeside, commonly referred to as 'The Allarco Property.'

The two plots for elementary schools were immediately accepted in principle but the 20-acre site, running adjacent to Churchill Avenue easterly was found to be unsuitable because of low-lying terrain in the northern portion of the dedicated land also because of

its uneven profile, which the School Board feels would make it impractical for a school area.

At a meeting held early in August, Messrs: McIntosh and Makale appeared before the Board. Speaking on behalf of Allarco Developments Ltd., Mr. Makale stated that in view of the observations by the Board, there would be no difficulty in moving the designated school site further south and east.

The No. 3 School Board then approved the third proposed site in principle, subject to a revised map showing the relocation of the 20-acre junior high school site, plus the exact location of the two 5-acre dedications for elementary schools, and according to conditions for the acquisition of these lands based on the letter dated August 3, 1972 from Makale,

Holloway & Associates Ltd. The motion was made by Trustee Howrish and carried unanimously.

AROUND TOWN

The Edmonton Ski Club announced this week that its 'Dry Land' training program starts tonight (Wednesday, September 13) at 6:30 p.m. in the Kinsmen Field House, Edmonton. Mr. M. J. E. Venner, Alpine Coach said training sessions will then continue every Monday, Wednesday and Saturday thereafter until the competitive season starts. Anyone interested in serious ski racing between the ages of 10 and 20 call Michael Venner at 486-3992.

Applications and registrations are still being accepted at the Day Care Centre. For further information call 599-8933.

Parade. During the nine days of Klondike, The Strutters performed at 14 shows.

Tired and ready for a break, The Strutters were given until August 20 to rest and holiday with their families. Then they regrouped, went into intensive training for the Classic of Champions in Spokane where they were awarded the first place trophy Class 'C' from the North West Drum Corps Association along with the Challenge Trophy.

CARD OF THANKS

We wish to extend our sincere thanks to all our relatives, neighbors and friends who assisted us through our recent bereavement.

A special note of gratitude to Rev. R. O. Olson, Lutheran Church Women and the pallbearers.

MRS. JUNE WILHELM AND FAMILY.

Noted Lecturer to speak at Jubilee Auditorium

A deeply Christian basis for getting along well with others will be explored in a public lecture in Edmonton on Tuesday, Sept. 19.

"Anyone can separate himself from the misconception or fiction that his progress is dependent upon the likes or dislikes, the temperament or even the mistakes of others," the lecturer states.

Josephine H. Carver, CSE a Christian Science Lecturer and teacher from Boston, will speak at 8 p.m. in the Jubilee Auditorium Social Room at the invitation of First Church of Christ, Scientist, Edmonton.

Several instances of divine healing will be described by the lecturer, including a former plot's complete recovery from a condition diagnosed as sclerosis of the liver.

A native of Chicago, Mrs. Carver is a graduate of Occidental College and Columbia University. She has travelled widely and studied in Europe. Active in the healing ministry of Christian Science for many years, she became a Christian Science teacher in 1961 and a Christian Science lecturer four years later. She is currently on an extensive lecture tour.

"How Do You Relate to Others?" is the title of her local lecture, which is open to the public without charge.

Strutters' 1972 Schedule

The Edmonton Strutters Drum and Bugle Corps had a busy summer season again this year and here is a schedule of activities in which they participated:

Their first road trip saw The Strutters perform in Portland and Hillsboro, Oregon where they received two 3rd place ratings. Their next showing was in Bellevue and Seattle, Washington where they received two

firsts. This road trip started June 27 and ended July 7th.

On their second road trip, The Strutters performed from July 9 until the 17th. During this period they placed third in the Calgary Stampede parade then proceeded to Pasco, Oregon where they received a second place award in the 'C' Class Judged parade as well as a second in overall performance out of 18 corps. From their The Strutters scored another first in Class 'C' in Pendleton, Oregon.

After returning to their home base The Strutters acted as hosts of the Gold Rush Drum Corps competition, July 19. Then, starting July 20, The Strutters received the distinct honor of being the lead corps in Edmonton's Klondike Days

Qui Barre tourney draws large crowd of horseshoe fans

The Riviere Qui Barre Horseshoe tournament was a huge success with 38 men and eight ladies participating. Class A singles was won by Ken Herriek, with Henry Dewald taking second place, both of Edmonton.

Class A doubles was won by Chris Camplon and Leo Paquette, second place was taken by Dale Schafers and Glenn Fisher.

Class B singles winner was Eugene Boddex with Firmin Borletaking second.

The ladies trophy was won by Marie Laliberte from Green Lake, Saskatchewan.

The Riviere Qui Barre horseshoe committee appreciated very much the help of J. M. McDonald Truck-

ing Ltd., and Hector R. Soutart Farm Sales Manager who donated the trophies.

Pioneer Farmstead Goes To Developers

By Rose Martel

The sale of the Pelletier farm was confirmed this week following the announcement of a giant land deal involving four parcels of land in Morinville.

The Pelletier farm is a well known landmark in the district, being the site of the first Roman Catholic church in Morinville, after the first missionary had built one two miles west of Morinville, in the 1880's. The land first belonged to the Oblate Fathers, from St. Albert, being part of the North West Territories, until 1905 when the territory became Alberta.

The first homesteader, after the little log church on the hill had been closed, after the first large church was built in Morinville pro-

per, just south of the Yellow School today, was the Frank Ecker family, followed by the Joe Gervais family.

In 1925 Mr. Joseph Pelletier and family, from Rose- town, Saskatchewan, purchased one quarter of land for \$6,500 and later expanded the mixed farming operation to include a dairy, wood and coal delivery service. Later his son, Gerard, purchased the land from his father, and moved the farmstead from the hill-top location to near the town limits. He purchased additional land from the late Thomas Doule, to the east line to make it a complete unit to the east road boundary.

As the years went by, the new farmstead was improved to become one of the farm show places of Morinville and the MD of Sturgeon, complete with some 8,000 trees, a large orchard area, south of the house, and a large horseshoe driveway, and small park east of the house, with a full complement of stuccoed and well painted farm buildings. Mr. Pelletier has reserved the land, and all buildings, on which the model farmstead is located, north of the road, for his own private use, where he will continue to reside with his family.

Thibault School District Teaching Staff

Wilfred Fitzpatrick, Paul Chailfoux, Gerald Houde, David Pasay, Mrs. Anoop Sandhu, Mrs. Linda Schaffer, Miss Karen Weston, Mrs. Lorraine St. Laurent Gerard Louigne, Mrs. Doris Found, Gary Smith, Miss Paulette McDonald, W. B. Parsons, Mrs. Françoise Froment, Mrs. Raymonde Riopel, Trevor Turnbull, Marcel Schayes, Claudette Turgeon, Mrs. Christiana Froment, Paul Riopel, Mrs. Vivianne Bohl, Mrs. Simone Gervais, Mrs. Therese Riopel, Miss Rachel Morissette Mrs. Lucille Mandin, Mrs. Yvonne Pelletier, Mrs. Stella Saldern, Mrs. R. B. S. sonneault, Mrs. Louise Froment, Sr. Annette Majeau, Mrs. Lorna Miller, Miss Marion Palahniuk, Mrs. Yvette Teiller, Mrs. Vivianne Pezer and Mrs. Janet Dolige.

Gibbons 4H holds achievement day

A Klondike theme was chosen for the Gibbons 4H Garden Club Achievement Day this year on August 22. The audience enjoyed the singing of Diane Gordon as Klondike Kate, can-can-dancers Myrna Cowan, Judi Demers and Rob Paradis, and the Kobaca eating contest which netted the winner a 'cup'.

Special guests were Pat Prymak, judge for the occa-

sion, Mr. Baker, principal of M. E. Iazelle High and Mr. Keith Langille of the Department of Culture, Youth and Recreation.

Talks on trips won by the members were given by Myrna Cowan on Club Week at Vermilion and Debbie Demers on Camp He Ho Ha. Debbie Demers, secretary, also spoke on club achievements throughout the year. Special mention was given to

the recent award of \$25 for first place display at the Horticulture Show in Edmonton.

Gifts were given to the Assistant Leaders, Mrs. M. Paradis, Mrs. E. Demers and Mr. J. McCowan by the members and get well wishes sent out to leader, Mrs. Edith Vlischer who was ill. Also missed very much were Albert Goutbeck, who was in hospital and Maureen McConnell, away on holidays.

Awards were then given out to the members as follows:

Public Speaking: Jr. 1st, Dea Mainer; 2nd, Janet Lamoureux; Sr. 1st, Judi Demers, 2nd Diane Gordon. The above trophies were donated by Mr. Jack Hogg, Mr. Tom Coley, Horse Hill General Store and Mr. John Blirnet.

Project Books: Jr. Janet Demers, donated by Club; Sr. Judi Demers, donated by Allan Demers Sand and Gravel.

Best Gardens: Jr. Janet Demers, donated by Club; Sr. Judi Demers, by Alberta Wheat Pool. (This was judged on our Garden Tour held July 26thK).

Best Display: Rob Paradis, donated by Royal Bank. Efficiency Winner: Debbie Demers, donated by Gib Paradis, UFA Co-op. Debbie Demers will attend Club Week in Vermilion next year and Dean Malner will go to Camp He Ho Ha.

Award pins and pennants were given to each member by Mrs. Myrtle Paradis, assistant leader.

Funeral services held for Alan Mills

Funeral services were held September 1st for Mr. Alan Mills of Alcomdale, who died on August 29th at the age of 61 years. The Reverend J. Nichols conducted the service in Independence United Church, Alcomdale and interment was in Busby Cemetery.

Mr. Mills was a willing and enthusiastic worker in

the community and coached baseball teams for many years. He was a director and member of the Alcomdale Community League, the Lions Club and the Alcomdale Curling Club. Through the years he donated many trophies to curling and to the 4H Beef Club.

He is survived by his wife, Eunice; two daughters

Mrs. R. (Florence) Hines, and Mrs. N. (Lore) Hooper, Edmonton; four sons, Alan, Edmonton; Marshall, Whitecourt; Gary and Melvin, Edmonton; three brothers, W. Britton, Alcomdale; Curtis, Spirit River; and Marshall, British Columbia; one sister, Mrs. A. Cameron, Alcomdale; and 16 grandchildren.

LEGAL LOCALS

By Lucienne Montpetit

The registration for the old and new brownies will be held on Monday, Sept. 18 at the Recreation Centre immediately after school. The mothers are asked to be there and the fee is \$3. There will be a meeting of the Mother's of the brownies and guides on September 19th at 8 p.m. at the Rec Centre.

Mr. and Mrs. Gordon Bruce and family returned Saturday from Vancouver and Victoria after enjoying a month of the British Columbia sunshine.

Expressions of sympathy are extended to Mr. Leon Brisson who is mourning the loss of his grandfather Mr. Edouard Brisson.

Mrs. Anna Pelletier visited with her sister Mrs. Aram Beaudoin in Seattle, for two weeks.

Mrs. Della Piquette and Mrs. Beatrice Carriere spent 10 days in Port Alberni, B.C., visiting with Mrs. Carriere's children.

A warm welcome to Mr. and Mrs. Adrien Houle and

family from Ladner, B.C., who have purchased the gas station and house from Mr. Ladis Messier on the highway. We wish you success in your new business.

Mr. and Mrs. Roger Pelletier moved into their new home last week, also Mr. and Mrs. Maurice Pelletier in their new home on an acreage just before you enter the village limits on the west road.

Mr. Lucien Bergevin, Mrs. Wilfred Larose, Yvonne and Yvette Pelletier are back recovering after spending some time in the hospital.

NOTICE FEED GRAIN MARKETING INFORMATION EXCHANGE

Commencing August 1st, 1972, the Alberta Grain Commission will begin operation of an Alberta Feed Grain Marketing Information Exchange. The Exchange will provide a communications channel between sellers and buyers, and will consist of a co-ordinating centre at Calgary and stations throughout the province with the following telephone numbers:

Stations: Calgary 269-1351 Vermilion 853-3313
Red Deer 346-2043 Edmonton 435-9841

Before calling the nearest station both the prospective seller and buyer should be prepared to supply the following information: kind of grain, bushels available or required, test weight per bushel and the moisture content of the grain. The station passes the information to all local potential buyers and if necessary, to buyers in other districts. The exchange is not responsible for any further arrangements once initial contact has been made between the two parties.

BON ACCORD ACTIVITIES

By Sadie Allen

The Bon Accord Gun Club will resume activities on Thursday, September 21 at 8 p.m. in the Community Centre. Age limit is 12 and up. Everyone is invited to come.

Another reminder to anyone who participated in the Spring Sportsweek. There is still quite a bit of money that was pledged but not turned in. If you were sponsor and have not been called on for your pledge, now about turning it in to the com-

munity centre. Walkers are urged to contact their sponsors for outstanding pledges.

The 1st Bon Accord Girl Guide Co. attended Division camp at Clyde during the week from June 23 to June 30 under the supervision of Guider in Charge - Mrs. Evelyn Fraser. The Bon Accord leader was Doreen Brennan assisted by Doreen Irmen and Frances Ketter. Girls who attended camp were Florence McKay, Janine Lampkin, Wendy Lewis, Susan Moore, Cheryl Rosen,

Lori Madden, Laurie Ketter, Shawna Brennan, Joyce Zender, Angela and Cyndie Irmen. On behalf of the Bon Accord club Mrs. Fraser was presented with a cushion autographed by each of the girls.

Congratulations to Judy Abranski and her two year old Arabian filly, Cracklin Rose who topped off a second in Junior Horse English Pleasure and a sixth in hunt seat Equitation at the Canadian National Arabian Horse Show held in Edmonton from August 30 to September 3. The show will be held in Calgary in 1973.

Regular services will resume in the Anglican Church on Sunday, September 17 at 9 a.m. with Rev. McKnight as minister. The ACW will hold their first meeting of the fall season at the home of Mrs. Shirley Blain on Tuesday, September 19 at 3 o'clock. Ladies interested in the Anglican church are invited to attend.

District residents are saddened by the passing of Mr. Herschel Samis, Mrs. Kathleen Santrock (nee Muligan) and Mr. Bill Woywitka and extend sincere sympathy to the bereaved families.

Registration of Guides and Brownies will be held on September 18. Unless there is a good turnout of parents at this meeting there is a very good possibility that there will be no guides or brownies operating this year. This meeting is for parents or interested adults. Good idea girls to circle the date on your calendar and remind mom that Monday is the day.

We are privileged to have a power and figure skating instructor in the district. The Community Centre Board are studying the feasibility of providing our district young people with instruction. Results will depend on the amount of interest shown. So far, no details have been worked out. If you are interested, please phone S. Allen -- 298-3541, NOW.

A woman telephoned Air Canada and asked: "How long does it take to fly to Los Angeles?" The clerk said: "Just a minute." "Thank you," said the woman, and hung up.

Morinville Pioneer Marie Ethier Dies

By Rose Martel

Mrs. Marie Ethier, apolo- nized of the Morinville district, passed away on August 28, after a very long illness at the age of 86.

Born Marie Cote, April 21st, 1886 in Boston, Mass., daughter of the late Ferdinand Cote, she arrived in Morinville district with her family from the United States at the age of 14, where the family established a homestead.

Some 61 years ago she was married in Morinville to Mr. Victor Ethier, also a local young farmer. The young couple established a home on land now occupied by the Joe Nolte family,

west of Morinville. There they raised their family of eight children.

In 1945, Mr. and Mrs. Victor Ethier moved to the Town of Morinville and built a new spacious town residence north of Morinville Machine Shop. Today this home is occupied by Mr. and Mrs. Hector Houle and family. Mr. Victor Ethier passed away, before the new home was completed in 1946. Mrs. Marie Ethier continued to live in Morinville with her daughters, until 13 years ago, when falling health obliged her to retire to Youville Home in St. Albert, where she passed away recently.

She is survived by seven children, four sons, and three daughters: Joseph, Gerard, Georges, and Albert, all of Edmonton. Mrs. Beatrice Montpetit of Leagal, Mrs. Eva Laviole, Edmonton, Mrs. Marie-Anne Houle of Morinville also 22 grandchildren and eight great-grandchildren.

Funeral services were held in St. John the Baptist R.C. Church in Morinville, with Rev. Louis Viel officiating. Interment followed in the local church cemetery. Pallbearers were six grandsons: Romeo Ethier, Maurice Ethier, Raymond Laviole, Les Ethier, Bernard Houle and Armand Montpetit.

On behalf of the entire community, a sincere expression of sympathy to the members of the bereaved family.

The energy taken up by daily evaporation of water from the seas corresponds to 100,000 times the total electric generating capacity of the United States in 1970, National Geographic says.

VIMY NEWS

By Jeanne Laplante

Attending 4H summer activities at Camp He Ho Ha were Jacqueline Blanchette Agnes Blanchette, Lucille Dechamplain and Louis Parent.

Hospitalized at the Immaculate recently was Mr. Ed Sabourin. Speedy recovery wishes.

Long weekend guests at the home of Mr. and Mrs. Henry Bernard were Mr. and Mrs. Gene Kantor and family from Jasper.

Mr. and Mrs. Bill St. Arnaud have taken up residence in the Alberta Wheat Pool house.

Gilbert Bloudeau is now attending the Philadelphia training camp in Vulcan. Also at Training camp is Paul Dechamplain who is at Blairmore at the Calgary Centennial's camp.

Miss Joyce Dubois was feted at a miscellaneous shower on Sunday at the home of Mrs. Gloria Dubois. The future bride was presented with an assortment of lovely gifts. A delicious lunch terminated the afternoon.

A reminder to girls interested in the Vimy Needles 4H Club. The reorganization meeting will be held on Wednesday, September 13

at 8 p.m. in the Vimy School.

Registration for the new school term was held on Tuesday, September 5. This year's enrollment is at 165 students. Principal Mr. R. Joly and teaching staff are looking forward to a most successful year.

CARD OF THANKS

We wish to express our sincere thanks to all our relatives, friends and neighbors for the sympathy and kindness shown us in the recent loss of a husband and father. Also for floral tributes, cards and donations. Special thanks to the pallbearers, the Rev. J. Nicholas, organist Miss Sherry Kyle and the ladies of the district who provided and served the lunch. The beautiful floral bouquet given to myself for the home from my neighbors was greatly appreciated.

MRS. ALAN MILLS AND FAMILY.

Laurent Coulombe added to MD Recreation staff

The MD of Sturgeon Recreation Board has announced the appointment of Laurent G. Coulombe to their staff. Laurent is a graduate of Mount Royal College in Calgary and holds a diploma in recreation and outdoor education.

ing, heading, decoupage, Christmas crafts, and resin crafts) and one other session oriented more towards male participation. This session is at present slated to be either recreational shooting, or a course oriented towards fishing (fly-tying etc.).

There will be all probability an overabundance of persons wanting to take the elementary courses so if you are interested contact me soon at 424-6276 or 256-3323. There will be no cost to participants taking the course if they are willing to assist with the MD Recreational program on your return.

RECREATIONAL SKATING:
Here is more information on the various aspects of recreational skating as I promised last week.

Learn to Skate - both children and adults; for those with little or no skating ability.

Skate for Fun - Teens and Adults: For those with little skating ability who would like to improve their skating skills in a fun and games atmosphere. When ability allows, basic figure skating and/or ice dancing moves can be developed.

Power Skating - For those with some skating ability who wish to improve their skating skills. This is an ideal class for boys to improve their skating skills for hockey, as well as for skaters not interested or already involved in hockey or figure skating.

Figure Skating - Boys and Girls - all ages. An introductory program to figure skating.

In 1966, the first through train for the Pacific left Montreal on June 28th and arrived at Port Moody on July 4th. Daily mail service over the 3,740 miles across Canada began on that date.

LAURENT COULOMBE

He worked throughout the summer on the Provincial Government Senior Citizens program, STEP, and will continue working on this program through the winter months. Along with the Senior Citizen program, Laurent, who is 21 years old, will also be involved in other programs coming out of the recreation office.

CAMP HE HO HA:

Most of the details concerning the leadership course at Camp He Ho Ha have now been worked out. The dates are set as Oct. 20 - 22 and Nov. 17 - 19. There will be advanced sessions in dressmaking, leather, and macramé (advancing to weaving). In order to qualify for these advanced courses, a person must have either taken the course last year or speak to me if you think you are qualified for an advanced course, but didn't attend the sessions last year. As well as the three advanced courses there will be sessions on a more elementary level in play school, project oriented crafts (e.g. candlemak-

NAMAO Large crowd attends 4H Beef NEWS club banquet in Alcomdale

By Norma Crozier
Bruce, Muriel and Lori Porter have returned from a trip visiting relatives in B.C. and California.

JAMES PAUL (JIM) PASSES

Mr. James Paul, longtime resident of Namao died Sept. 7th. Born in Ireland he came to Edmonton in 1912 and worked for nine years with the James Ramsey Ltd. department store before taking up farming in the Namao district. He gave up farming in 1948, leaving it in the hands of his two sons, and moved into the city, living at 11415 - 64 Street. He was manager of the Edmonton Exhibition Association from 1948 to 1956.

A man who devoted much of his life to community service, Mr. Paul served on many community and church boards. He was chairman of the Edmonton Chamber of Commerce, Agriculture Committee and during the Second World War campaigns and with the Red Cross. He was an honorary Life director of the Edmonton Exhibition Association. Since his retirement from the association in 1956, Mr. Paul was engaged in real estate.

He is survived by his wife Hazel, one son Harold of Namao, six grandchildren and seven great-grandchildren, a sister and brother in Ireland. He was predeceased by his son Albert in 1966.

CARD OF THANKS

The family of the late Mrs. Marie Ethier of Morinville wish to thank most sincerely the relatives, friends and neighbors, who helped us and expressed their sympathies on the recent loss of our beloved mother.

Special thanks to the staff at Youville Home, where she received tender loving care during the sunset years of her long illness. Also to Rev. Louis Weil, the Morinville Choir and organist, the pallbearers and the ladies who served lunch after the funeral. Thanks for the spiritual offerings, flowers, and many expressions of sympathy, all gratefully acknowledged by each member of her family.

THE ETHIER FAMILY.

MRS. MARCELLE DUPUIS -- HAIR STYLIST

By Philip Whitson

The annual banquet of the Alcomdale 4H Beef Club was held on August 25 in the Independence Hall. Terry Whitson, president of the club was master of ceremonies for the evening. About 75 people sat down to a delicious meal of turkey and ham. This was prepared by mothers of the club members. Corsages for the girls were provided by Mrs. J. Arlow.

An annual report of the year's activities was given by the secretary, Debby Davidson.

Guest speaker for the evening was Mr. Wally Klatt,

district agriculturist for the MD of Sturgeon. He gave a very informative talk on new beef grading which is coming in shortly.

Next on the evening's program was the presentation of awards. The club members introduced the donors. Kim Davidson received the Grand Champion trophy from John Lister. This was donated by the Alcomdale Community League. Debby Davidson received the Reserve Champion trophy, donated by Curtis Feeds. Janice Meakin received the trophy for General Proficiency. This was donated by T and D Rinas. Philip Whitson received the trophy for Best

Calf Judge, donated by Lister's General Store. Janice received the trophy for the best daily gain, donated by Mr. J. Falls, Fall's Farm Equipment. Janice also received the trophy for Bestmanship donated by Mills Motors. The girl's grooming trophy, won by Joanne Brenneis donated by Mr. and Mrs. Hamilton. The boy's grooming trophy was won by Philip Whitson, was donated by Mr. C. Sim. The Best Kept Records was won by Donna Davidson. This consisted of a silver tray presented by the manager of the Royal Bank of Morinville. Donna also received the award trip to Vermilion or Oids. The most improved member voted by the members was won by Kim Davidson. This was a silver belt buckle also donated by the Royal Bank.

4H crests were on the wallets presented to the leaders Mr. Leonard Whitson and Mr. D. Rinas. A few closing remarks were made by the leaders. The Alcomdale 4H Beef Club would like to thank everyone who helped to make this past year a success.

the Tavern service, Monday to Friday. Saturday hours 8 a.m. until 11 p.m. Sunday 8 a.m. until 9 p.m.

Congratulations to Mr. and Mrs. Ron Cook on their 25th anniversary on Sept. 1.

A speedy recovery to Mrs. Phyllis McDonald after her recent operation.

MORINVILLE MEMOS

By Rose Martel

Morinville United Church Sunday School registration will take place Sept. 17 in Morinville Recreation Centre at 10:30 a.m. Regular church services have now started at 10:30 a.m.

Congratulations to the Morinville Drum and Bugle Band who took first prize in the Krazy Daze parade at Redwater recently out of the 35 entries. They brought back a beautifully engraved plaque, which will be an encouraging memento for the young people and the committee members who devote so much time to the band.

Three of our senior citizens ladies, Mrs. Dorothy Daigneault, Mrs. Clarice Beaupre and Mrs. Kenny DeTennacourt, left last week for a two week bus tour of California and New Mexico. Our merry "widows" hope to tour Hollywood and who knows they may even get a date with such old favorites as John Wayne, Jack Benny, old Dean Martin, or Vincent Price. Good luck ladies and have fun.

Since our last memos, several well known families have been bereaved. Among them, Mrs. Marie Ethier, a pioneer woman of Morinville, who passed away on August 28, and a former Morinville district resident, Mrs. Mary Elliot, 82, widow of the late Walter Elliot, who was buried August 9th in

Langley, B.C. Funeral services were held in St. George's Anglican Church in Langley with Rev. Philip Whitney officiating and burial took place beside her husband in the local cemetery. She is survived by her son, Jim, of Edmonton and one daughter, Mrs. Louise Rannard of North Vancouver, and three grandchildren.

On August 29, two more well known citizens, with many acquaintances in the district, also passed away. Mrs. Bessie Blanche Smelter, 78, after a long illness. She was the wife of Gordon Smelter, and mother of Mr. Keith Smelter, of the firm of Smelter Insurance of Edmonton.

John Francis Watson, 27, son of Mr. and Mrs. Roy Watson, of Edmonton, also very well by many in the district, died victim of cancer.

On September 6 Mr. Edward Brissson, 63, formerly of Leduc and in recent years a resident of Youville Home in St. Albert. He is the uncle of Mrs. Gustave Meunier. He is survived by one son, Albert and one daughter, Mrs. Juliette Chevigny, both of Edmonton.

The mother of Rev. Louis Viel, assistant pastor of Morinville, also passed away in St. Paul last weekend. To all the bereaved families a sincere expression of sympathy on behalf of the district.

The Royal Canadian Legion held a social evening on Saturday, August 26 in their newly renovated hall. An evening of dancing was enjoyed by a good turnout, including many guests. The local membership has increased considerably this year, but more members will be warmly welcomed, and can look forward to very enjoyable social evenings of fun, food and friendly companionship on the last Saturday of every month.

On August 26 Miss Karen McDonald, daughter of Mr. and Mrs. R. Leslie McDonald was married to Mr. Kris Emilson, son of Mr. and Mrs. B. Emilson of Edmonton.

Registration for the Morinville Cubs and Scouts, Guides and Brownies has been held. The Scouts and Cubs will hold the regular meetings in the upstairs of the Arena. For any youngster wishing to join any of the above mentioned groups, the parents should contact the following: Cubs and Scouts - Mrs. Alice Wojtkiw, M. West or Georges Morris. Guides or Brownies - Mrs. Sidney Pifko, Mrs. Robert Anderson or

Mrs. Lina Keith, as soon as possible.

The Mother's Local, official sponsors of the Guides and Brownies, will hold a supper meeting in the Morinville Hotel dining room at 6:30 p.m. on Wednesday, Sept. 20. All mothers of guides and brownies are cordially invited to attend, get acquainted and discuss the program for the coming season. Hostesses will be President, Mrs. Mary Flanagan, Mrs. Lina Keith and Mrs. Jo Anderson.

All donations for the annual rummage sale scheduled for Tuesday, October 24, are being accepted now at the homes of Mrs. Robert Anderson and Mrs. Harold St. Langer.

Prior to her departure with family for Hinton, Mrs. Del Curtis, Blue Guider in Morinville for several years was entertained at an afternoon farewell tea, hosted by Mrs. Marjorie Rockwell with some 12 members of the Mother's Local present. Mrs. Curtis was presented with an engraved Guides of Canada Tray and a pair of beautiful statuettes on behalf of the Guides and Brownies of Morinville, by Guide Commissioner Mrs. Lina Keith and Past President, Mrs. Robert Anderson. Present was Mrs. Zel McDonald, from Fort Saskatchewan, who was a companion Guider of Mrs. Curtis for 10 years in Morinville.

On August 23 the senior citizens of Morinville were guests at a steakette and corn-on-the-cob barbecue, hosted by the STEP program co-ordinators in the Legion Hall. Miss Marjoline Chamberland and Mr. Laurent Coulombe, ably assisted by the chairman of the recreation board, Florence McGinnis, Bernice Chalfoux, stenographer for the recreation director and Carl Royan, MD recreation director. Some 45 members of the Rendez-Vous Club enjoyed a buffet supper, followed by games of cards and a social evening. Mrs. Louise Billo, president, presented Miss Chamberland and Mr. Coulombe each with individual radios, as tokens of appreciation, for their goodwill

and many acts of kindness during the summer program for the local senior citizens. Mr. Gerard Rousseau led the sing-song group

Mr. John Henry, accompanied by his sister, Anita, motored recently to Jasper, Maligne Lake, Clearwater and other points of interest in B.C.

Mr. and Mrs. Leonard Bokenfohr recently visited Calgary and Drumheller on a combination holiday and business trip.

The first grain has been delivered to the Morinville UGG elevator from 1972 harvest operations in the district. Early barley was graded No. 1. Feed and weighed 50 lbs. to the bushel, and Rape, CR, of fairly good quality and weighing 50 - 52 lbs. to the bushel. Farmers reported as having made deliveries were R. Lemkl and Ed Kryskov.

Among those in hospital are Nicole Rondeau and Mrs. Louis Heile. Among those recovering at home are Karen Weston and Brenda Ricard, 12 year old daughter of Mr. and Mrs. Arthur Ricard, who was the victim of a senseless hit and run driver. Miss Weston, was badly injured and her car was demolished on old #2 highway, south of the tracks, when two irresponsible young drivers were drag racing southbound from Morinville.

Flo and Cliff McGinnis were pleased to hear last week that their real estate firm has been accepted as a member of the Edmonton Multiple Listing Service and are looking forward to being able to give even better service to their clients now

Jeanne and Joe Courchesne have moved to Fort McMurray with their family where they have purchased a mobile home.

Peggy and Denis Chalfoux are getting settled in their new home, the former residence of Les Filles de Jesus.

Jean and Bob Ringrose with their family have moved into the former Dave Rooke residence and are enjoying life in Morinville.

Thank you all folks for

the many inquiries, since my eventual fall from a ladder while painting at home. After six days in hospital, I am back at home, sporting all the hues of the rainbow in a few unmentionable spots. I have suffered no broken bones, as first rumored, but I sure got the air knocked out of my two front tires,

and my rib cage is more than touchy. Thanks one and all for the visits to the hospital, cards, flowers, gifts, and special thanks to the Morinville Associate Clinic staff, for their prompt response. Mrs. Lorette Craig for the free ride to hospital and the wonderful care received at Sturgeon hospital.

Morinville Recreation Board Launches Season

The Morinville Ceramic Club is once again a force of actively and planning another beginners course with the first lesson to be held in mid-October. This course will be dealing with handcrafting, glazing and firing of the pottery. All those who took the course last year will agree that this is the best way to get acquainted with the art of ceramics and there is plenty of time during the course to observe and try out yourself, the various methods of handcrafting pottery. The club is looking forward to having many new members and sends out special invitation to anyone who has been previously involved with pottery to come and join the group.

Some persons have shown interest in working with moulds and if there are enough interested people, the club will form a class along those lines. They also hope to have further instruction on the wheel. So if you would like to participate in a very enjoyable hobby-class you are asked to contact Mrs. Jeanne Chalfoux at 256-3562. The deadline for registrations is September 21st. Come and have fun with a good group!

The regular meeting of the Recreation Board will be held on September 21 at 8 p.m. at which time the board will get in full swing for the fall and winter plans. If you have a good idea that hasn't been aired yet please let one of the members know.

The Senior Citizens of Morinville had a good summer what with all their activities and outings that were new to so many. The final "wind-up barbecue" was a band-up success and many special thank yous went out to Miss Chamberland and Mr. Coulombe for a job very well done. The Recreation Board would like to add their thanks as well.

To the students that the board sent away on course came back with high recommendations and the board is looking forward to working with them this season.

For Rent in Morinville

Five bedroom home, 1 1/2 baths, fireplace, broadloom, garburator, Garage, Close to school and shopping. Available immediately. \$150 plus utilities. PHONE 433-1935, 7 - 9 evenings.

Thank You Folks

The Morinville Exchange Student Committee, wishes to express their most sincere thanks on behalf of the local Morinville students, from Georges P. Vanier High School, who travelled to Louiseville, Quebec, Montreal, Three Rivers and Ottawa, last July.

Thanks for the wonderful generosity and support by various local organizations and the Town of Morinville, and most of all for the help by the people of our entire community, in various ways, as well as our parents. Special thanks to the co-ordinating body by members of the school staff, and members of the hosting committee, who executed a most wonderful and successful welcoming home program for all of us and our guests from the east.

Be assured that we are all most grateful, and that each visiting student from Quebec, was most favorably impressed with you folks, the citizens of our home town, Morinville. A special thanks to all our many friends in the district, and the MD of Sturgeon, who welcomed our group in their homes and entertained us in any way.

Carol Wojtkiw,

President of the Morinville Student Exchange 1972
Georges P. Vanier Senior High School, Morinville.

Farmers Urged To Start Warble Control Treatment

Re-issued from the District Agriculturist's office.

It is almost time to treat your beef and non-milking dairy cattle for warbles. Eighty per cent of Alberta cattle will be in warble control areas by this fall.

Except for Co-Ral, all systems must be applied during September, October or November. The reason that they must be used during these months is that the warble fly larvae, which enter the animal through the hair follicles on the underside of the body, have not yet had time to reach any of the vital areas. In the winter months they may have reached such places as the gullet or the spinal column. When they are killed in the gullet there is a danger of a severe throat infection which may cause difficult breathing, vomiting or pneumonia. If the larvae are killed in the spinal cord, they can cause paralysis.

In the case of Co-Ral, it appears to kill the larvae more slowly than the other systems, thereby enabling the animal's system to absorb the dead larvae. When warble infested cattle are not treated with any systemic, the larvae gradually work their way through the animal's body, reaching its back by the following spring. They emerge as grubs from lumps on the animal's back. After dropping to the ground they pupate and emerge as warble flies and the cycle begins all over again.

All beef and non-milking dairy cattle weighing over 300 pounds can be treated with a systemic, providing they are not sick or under any other type of stress. Milking dairy cows can be treated only with Rotenone warble fly back-wash which is effective only in the spring when the grubs have reached the backs of the cows.

Following is a list of recommended systems and

an outline of restrictions on their use.

1) Ruelene 12R; applied as a pour-on.
2) Ruelene 25E; applied as a pour-on or spray, after mixing with water according to directions.

Ruelene 12R and 25E should not be used if cattle are to be slaughtered within seven days or milk cows freshening within three days
3) Neguvon; used as a pour-on.

Neguvon should not be used on cattle to be slaughtered within 21 days or on milk cows freshening within seven days. Treatment during December, January and February should only be done under supervision of a

veterinarian.

4) Co-Ral; used as a spray, mixed with water as directed.

Co-Ral should not be used on cattle to be slaughtered within seven days or milk cows freshening within 14 days. (Co-Ral may be used throughout the entire calendar year).

To be effective, any warble control program must be carried out in two phases. The first part entails treating the cattle in the fall with a systemic and the second necessitates inspecting them for warbles the following spring. Even with thorough treatment in the fall, some larvae are likely to be missed. When they emerge

the following spring as grubs, they can be removed by hand or, if the owner suspects that there may be others which have not yet reached the animal's back, he can treat the animal with a systemic spray or with a contact backwash.

A fall application of a systemic that is sprayed on gives very good louse control. Pour-ons are not as effective because they lack the residual effects of sprays. Ruelene 25E used as a spray and Co-Ral are both very good. If necessary they can be used during a mild spell in the spring which is the time that uncontrolled louse infestations are usually at their worst.

New Grading System Tabs Beef Quality

Re-issued from the District Agriculturist's office.

The main benefit of the new grading system, which came into effect on September 5, is that it makes possible a more accurate description of carcasses from the point of view of both quality and quantity. It does not, as some believe, automatically reduce fat, but it gives consumers a chance to indicate the type of carcass that is most in demand, and this could result in leaner carcasses.

Under the new grading system all beef carcasses fall into one of three maturity classes according to the animal's age. Maturity Class 1 covers all young animals; Maturity Class II covers those of intermediate age; and Maturity III covers mature and aged animals. Within these three maturity classes there are nine quality grades.

Maturity Class I covers Canada A and Canada B, the two top grades. These two grades are further sub-

divided into four categories (1, 2, 3, 4), according to the degree of external finish which is determined by a Canada department of agriculture grader who measures the fat thickness. Depending upon this fat measurement the carcass is graded A-1, A-2, etc.

The main differences between a Canada A and a Canada B carcass are the color of the meat (B is slightly darker), fat color, fat firmness and the amount of marbling. A Canada B-1 carcass is very good eating but does not have quite the eye-appeal of an A-1 carcass. Canada A carcasses have a red ribbon brand and Canada B carcasses a blue ribbon brand.

Maturity Class II covers the Canada C grade which is further subdivided into C-1 and C-2. The C-1 category includes medium to good quality carcasses of young cows and aged steers and heifers. The C-2 category includes low medium quality carcasses of young cows

and aged heifers and steers. These carcasses have a brown ribbon brand.

Maturity Class III covers Canada D and Canada E grades. Canada D is further subdivided into D-1, D-2, D-3, and D-4. D-1 carcasses are select, high quality mature females and steers. D-2 carcasses are medium to good quality, mature females and steers. D-3 carcasses are plain or fair quality mature females or steers, and D-4 carcasses are manufacturing quality mature females or steers. These carcasses have a black ribbon brand.

Canada E are mature stags and bulls. These carcasses also have a black ribbon brand.

According to Alberta's livestock commissioner, W. C. Gordon, quality grading under the new system is more accurate than under the old system because, by knife-ribbing the carcass, the grader is able to appraise a cross-section of the lean meat. Quantity measurements are also more accurate. Research has shown a close correlation between the thickness of fat at the 11th rib and the percentage of lean meat in the entire carcass. Graders measure the fat thickness to one-tenth of an inch and classify the carcass into the appropriate fat level within the quality grade.

Producers will benefit from the new system to the extent that they are able to produce the type of carcass which commands a premium price on the market. In fact, to the retailer will have a much more precise system for identifying and serving consumer demand. Consumers will benefit because they will be able to identify the quality and fat level they prefer.

Let Your Freezer Work For You

By Pat Prymak,
District Home Economist.

What was one time a rare luxury is now a common household appliance. Yes, the deep freeze appears in nearly every home, whether it's the small apartment or the largest family size, chest or upright model.

A true convenience for the homemaker, the freezer is used primarily for storage. Does it save a person money? Well, that depends upon how it's used. If foods are rotated to prevent aging and the freezer is kept over half full all the time, it may.

The freezer doesn't save you money if it's left almost empty most of the time or if products are improperly packaged so they deteriorate

and become unusable. Be sure foods are wrapped in moisture - vapor proof containers and that all possible air has been excluded. If air gets at the food, freezer burn quickly develops. Freezer burn causes an unattractive color and a loss of flavor.

If you're a person who likes to get all the mess over at once and do a quantity of baking in one day, you'll be a true freezer enthusiast. Most baked goods can be frozen successfully if well packaged and used within a reasonable length of time. Most

butter, sponge and angel cakes will keep up to six months if well wrapped. Note use pure vanilla as the synthetic flavoring may become strong and bitter. Cakes can be frosted before freezing if you like, although many people prefer to frost them just before using. Those made with confectioner's sugar and fat freeze well; candy types such as the fudge varieties should be made with syrup or honey to prevent cracking; seven-minute types break down during storage so should not be frozen.

If you don't want to bake the product, just mix up the dough and freeze it. Drop cookie or refrigerator cookie dough freezes very well. As for pie dough — freeze it in quantities ready for rolling out; or put the crust in the pie plate before freezing; or make the entire pie, including fruit filling, and freeze before or after baking. It's often wise to use more thickening for juicy fruits, and don't cut the vents until you're ready to bake it.

Make up sandwiches, a huge batch of home baked beans, your own TV dinners from leftovers, or soups and freeze them. Want whipped cream later — whip it until stiff, using confectioner's sugar. Drop "dollops" by the teaspoon on wax paper and freeze. Use within a month and without thawing first for garnishes. For the free booklet "Preserve by Freezing," contact this office.

"Is smoking permitted, conductor?" the passenger asked.

"No, sir."

"Then," asked the passenger, "where did all these cigarette butts come from?"

"From people who didn't ask questions."

M.D. Appoints New Committee

By Wallace Klatt,

District Agriculturist.

An agriculture committee of nine members has been appointed by the MD councillors, the district home economist and the district agriculturist.

The primary function of

this committee is to advise and bring forth ideas that reflect the agriculture situation. Educational courses, programs and services are then formulated and put into action by the district home economist, district agriculturist and the agri-

cultural service board.

To date the new committee has gone through a training session and one productive meeting. Approximately four meetings will be held per year.

In order that people who wish to know the names of the committee member in their area, the names and addresses are listed as follows:

Mr. Melvin Clark, RR2 Busby; Mr. Hugh Crozier, RR2, St. Albert; Mr. Walter Frank, RR1, St. Albert; Mr. William Gonsk, Almondale; Mr. John Kampjes, RR1, Coronado; Mr. Angus McDaniel, RR1, St. Albert; Mr. Walter Pansak, RR6, Edmonton; Mrs. Dorothy Rigney, Box Accord.
